IN THE CIRCUIT COURT OF THE 17TH JUDICIAL CIRCUIT IN AND FOR BROWARD COUNTY, FLORIDA

STATE OF FLORIDA,

CASE NO. 98-5739CF10A

Plaintiff,

vs. Judge: SIEGEL

ERNESTO BEHRENS,

	1

RESPONSE TO MOTION FOR A COURT ORDER COMPELLING THE BSO CRIME LAB TO RELEASE ALL DNA TESTING CONDUCTED IN THIS CASE (RFLP AND PCR) TO BE REVIEWED AND INSPECTED BY DEFENDANT'S DNA CONSULTANT, TIFFANY ROY

THE STATE OF FLORIDA, by and through the undersigned counsel, hereby files this Response pursuant to this Court's Order, to the Defendant's Motion for a Court Order Compelling the BSO Crime Lab to Release all DNA Testing Conducted in this Case (RFLP and PCR) to be Reviewed and Inspected by Defendant's DNA Consultant, Tiffany Roy, filed March 5, 2019, and would show the following:

1. The defendant was tried and convicted by a jury of armed sexual battery and burglary of a dwelling with a battery, contrary to §§794.011(3) and 810.02(2), Fla. Stat., alleged to have occurred on May 12, 1995. The defendant was sentenced, on November 13, 2000, to serve concurrent terms of life in prison on each count. In sentencing the defendant, the court granted the state's motion to depart from the

recommended guidelines sentence guidelines by finding, pursuant to §921.0016(3)(r), Fla. Stat. (1995), that the defendant had previously been convicted of two counts of armed burglary, level 8 offenses, and that he was being sentenced for armed sexual battery, a level 10 offense.

- 2. The defendant's conviction and sentence were affirmed on appeal.

 Behrens v. State, 830 So. 2d 190 (Fla. 4th DCA 2002), rev. denied, 845 So. 2d 887 (Fla. 2003). He has since embarked on a series of protracted post conviction litigation which has caused this Court's file to swell to ten (10) volumes.
- 3. In his instant pleading, the defendant is seeking to compel the BSO Crime Lab to provide him with items he requested as public records, but which he claims were not provided. Specifically, he is seeking items 1.a. through 1.i. as set forth on pages 1 and 2 of his motion.
- 4. The undersigned requested and received a copy of the entire BSO Analyst Case File pertaining to the instant case from the BSO Crime Lab. Attached hereto as Exhibit A is a complete unredacted copy of the documents provided by BSO.¹ Such documents are responsive to items 1.a. through 1.g. The undersigned has been told by Karin Crenshaw, BSO Crime Lab Unit Manager, that the BSO Crime Lab does not have data, or a way to compile such data, for items 1.h. and 1.i.

^{&#}x27;It should be noted, the documents being provided to the defendant are exempt and confidential pursuant to public records law. As such, the State is filing a Notice of Confidential Information Within the Court Filing in order to alert the Clerk of Court that the attached Exhibit is exempt from disclosure.

of the defendant's motion. Accordingly, the state has hereby provided the defendant with all of the records requested that it has.

WHEREFORE, for the aforementioned reasons, the instant Motion for a Court Order Compelling the BSO Crime Lab to Release all DNA Testing Conducted in this Case (RFLP and PCR) to be Reviewed and Inspected by Defendant's DNA Consultant, Tiffany Roy, should be **DENIED** as moot.

Respectfully submitted,

Here is the particulars for the public records request of Mr. Ernesto Behrens

>This is an RFLP case; NOT a case where CPI calculation were performed

>We have searched our freezers for any cutting we may have had but cannot find any which means we did not save cuttings and gave it all back to the Plantation Pd which occurred on 6-29-2000

>We do not have nor do we keep records for the State Witness; Dr. Martin Tracey
