Mr. Ernesto Behrens, #732564
Martin Correctional Institution
1150 S.W. Allapattah Road
Indiantown, Florida 34956-4397

Dear Mr. Behrens,

We are sorry to inform you that we have reviewed your case and have determined that our office cannot accept it. Based on the information we reviewed, it is our determination that your situation does not meet our strict criteria for case acceptance.

While we understand that there are multiple ways by which a person can be wrongfully incarcerated, our limited resources as a non-profit organization restrict the scope of our work.

We are sorry we cannot assist you further. We wish you the best of luck in any future efforts.

Sincerely,

Seth E. Miller
Executive Director
